

Starbound: Volume Two of the Lightship Chronicles

The First Empire Has Returned. The New Galactic Union Hangs In The Balance...The Lightship Impulse is gone, sacrificed while defeating First Empire ships the fragile new galactic alliance hoped it would never see again. For Peter Cochrane, serving as third officer on the Starbound and tasked with investigating a mysterious space station in a newly re-discovered system, the wounds of battle may have healed, but the battle is far from over.
