

## Defragmenting Daniel: The Boy Without a Heart: A Sci-Fi Thriller (The Defragmenting Daniel Trilogy) (Volume 3)

The Boy Without a Heart is the final fragment of the thrilling sci-fi trilogy, Defragmenting Daniel. 5 organs regained. 2 organs away from becoming whole. The bodies are piling up. Time is running out for Daniel. Kage has discovered the Organ Thiefs identity, and is closing in. He has evaded Kage so far, but at a terrible cost Daniel has lost his face. He finds love with Autumn Beckett, who makes the search for his missing liver and amygdala more treacherous than he could have imagined. At the same time, cracks form in Daniels fragile alliance with Margaret, as he struggles to contain the androids insatiable bloodlust. To be truly whole again, Daniel must become more than the sum of his parts. But can he avoid falling to pieces in the process? This third and final installment of Defragmenting Daniel erupts in a bloodbath that will skin you alive, bleed you out, and stitch you back together.

Compelling sci-fi that will keep readers squirming. Poignant and absorbing. ReadersFavorite.com, 5 Star Review The Boy Without a Heart is the third fragment of the Defragmenting Daniel trilogy: Fragment 1: The Organ Scrubber Fragment 2: The Face in a Jar Fragment 3: The Boy Without a Heart
