

First Steps (Founding of the Federation Book 1)

Book 1 details the First Steps of the Irons family to kick start mankind to the stars. They and several heroes of future space flight take on and do the impossible, build a program to explore and settle the red planet in a very short time period. Along the way they dig up old and invent new technology to overcome the many problems facing them. Mario and his wife are forced to take his brothers place when he is viciously attacked moments before launch. The team must overcome many problems, weather, radiation, and politics to get the colony started. Along the way they must divert an asteroid which has some far reaching consequences. Mankind will never be the same after the Mario brothers come on the scene!
