

Chronicles of the Uprising (Trilogy 2): Trilogy 2

Immortality is never guaranteed. Peace is just a breath between battles for Mira. Hardened by slavery and war, she longs for the simpler life, knowing that it might never be hers to enjoy. There is always another battle waiting to be fought, another foe on the horizon. As the world lurches toward war, it will take more than Miras strength alone to put a stop to it. Peace may be nothing more than a dream, but Mira holds out hope. The only outcomes are peace or death.
