

The Mortal Religion: A Dark Psychological Thriller

Best Rabid Readers Reads of 2013
From the bestselling author of PERSONA (35,000 copies sold) Chalk Cutter was spitefully nicknamed Moonface as a child, and lives a life of torment and isolation because of his unusual appearance. Believing only a revolution could induce change, he kidnaps a girl who ridiculed him, intending to re-educate her - and ultimately mankind - in an attempt to lead a narcissistic society to treat all people as equal. But Chalk hadn't anticipated his own emotional backlash to the brutal brainwashing process... His self-control diminishing, and after some reckless actions, his elaborate plan seems little more than a pipe-dream, until an old nemesis infiltrates their world. This fateful encounter is the catalyst for the creation of The Mortal Religion, the shocking revolution Chalk is certain will breed universal contentment... E-thriller headlining Thriller of the Month April 2013
