

Dreamfinder: Through a Dreamfinders Eyes

I made my own family and got knocked down, but I got up. These are my poems, the first book. Next is a memoir of my growing up years. My whole life is encased in this book, including abuse from my husbands and the heartache it took to escape. Giving up a daughter and trying to make it, I lived, and in the end I made it. I was then rewarded with a true miracle. I don't want to give the surprise away but I did become a Dreamfinder a warrior of my dreams.
