

Duende: Poems

Every poem is the story of itself. Pure conflict. Its own undoing. Breeze of dreams, then certain death.

from History Duende, that dark and elusive force described by Federico Garcia Lorca, is the creative and ecstatic power an artist seeks to channel from within. It can lead the artist toward revelation, but it must also, Lorca says, accept and even serenade the possibility of death. Tracy K. Smith's bold second poetry collection explores history and the intersections of folk traditions, political resistance, and personal survival. Duende gives passionate testament to suppressed cultures, and allows them to sing.

Duende by Tracy K. Smith Poetry Foundation His poems and tragedies were inspired by a powerful Granadaean duende.
