

## Destination Oblivion (Universe in Flames Book 3)

5 stars: Better and better! Read through all 3 books in 3 days! I just hate having to wait for the next one! WRITE FASTER! by John Reynolds Still haunted by nightmares about Sarah, Chase leaves the Earth Alliance and discards both Aphroditis and Ares counsel in his quest for revenge. He falls into a dangerous dark pit of hatred, sorrow and regret which consumes his soul with every passing moment. In the meantime, the Earth Alliance, now equipped with better technology, is winning most of its battles against the Zarlack forces, while the Obsidian Empire enters into talks to join the Alliance, their once mortal enemies. When Argos finds the hiding place of the Olympians and decides to strike, he reappears on Chases radar. Blinded by rage and fully determined to unleash the full brunt of his vengeance upon Argos, Chase teams up with Keera, a sexy bounty hunter, to hunt him down with only one purpose in mind: to end his life once and for all. But nothing is really as it seems and Chases life is again about to be turned upside down.
