

## Birds (Golden Field Guide)

This pocket-sized guide will help you identify - quickly & easily - the birds you are most likely to see. It tells you: what to look for, where & when to look, how to attract birds. Range maps show where each bird is found, & handy tables at the back of the book contain a wealth of additional information about migration, eggs, nests, & food. This is the perfect bird book for beginners at any age.
