

## Classic Thrillers (Dracula/Frankenstein) (Audiofy Digital Audiobook Chips)

This Audiofy audiobook chip packs a full 6.5 hour reading of Classic Thrillers (Dracula/Frankenstein) on a tiny memory card. A single Audiofy audiobook chip, hardly larger than a stamp, holds a complete digital audiobook, and saves the last listening position automatically, unlike CDs. With an SD memory card slot or low-cost adapter - like those for digital cameras - this Audiofy audiobook chip can be played on Microsoft Windows and Apple Macintosh desktop computers or laptops (Microsoft Windows XP/2000/Me/98, or Apple Mac OS X 10.3.9 and above) or transferred to Apple iPod media players. Audiobook chips also move seamlessly to most Palm OS and Pocket PC handheld PDAs with SD expansion slots, as well as Treo and Windows Mobile smartphones (Palm OS 5.2 or Windows Mobile 2002 and above)... From a fearful beast to a murderous obsession, from the fear of an invisible presence to malevolent magic, the vengeful dead, premonition, ghosts, pacts with the devil, and a strange madness, Naxos AudioBooks offers stories to be listened to in the dark with the lights turned off and the imagination switched on... Written by some of the great names in English literature and masters of the genre - Edgar Allan Poe, Ambrose Bierce, Charles Dickens, Oscar Wilde, M.R. James, and so many more - these stories will linger in the mind long after the final word is spoken.
