

Pro Telerik ASP.NET and Silverlight Controls: Master Telerik Controls for Advanced ASP.NET and Silverlight Projects (Pro Series) (Paperback) - Common

This book provides a complete guide to implementing Telerik's range of ASP.NET and Silverlight controls. Telerik controls are invaluable for ASP.NET and Silverlight developers because they provide a vast array of rich controls targeted for the presentation layer of web applications. Telerik offers you solutions for the reports, grids, charts, and text-editing controls that you need but don't want ...
