

Edens Eyes

PRAY YOU NEVER SEE THE WORLD THROUGH EDENS EYES On a cool spring night in a quiet northern community, a life of violence comes to a violent end. In a drunken brawl, petty criminal Eden Crowell is beaten to the brink of death. Following a futile attempt to save his life, doctors approach his father with an appeal for the mans organs. In defiance of his wives wishes, Bert Crowell agrees, and his sons organs are harvested. Blind writer Karen Lockhart becomes one of three grateful recipients, gaining sight after a lifetime of darkness. But with sight comes a new breed of darkness. In a series of increasingly more vivid dreams, Karen witnesses horrors that threaten to shatter her sanity. But soon, Karen comes to realize that what shes experiencing are much more than simple dreams. One by one the organ recipients die horrible, mutilating deathsand Karen witnesses it all with her new eyes. Now, shes next.
