

Edens Hammer (A Distant Eden Book 3)

Volume three of the highly acclaimed and popular Distant Eden series. Its three years after the electrical grid was obliterated by a huge coronal mass ejection, and ninety-seven percent of Americas population died. Adrians war with the mountain cannibals is over and his uncle has called him home with chilling news. Something is going to annihilate Adrians home village, Fort Brazos. Roman wont say more than that over the radio. It takes Adrian three weeks to get home and find out what the coming threat is, and what he can do about it. Edens Hammer begins with his arrival. Book three in a five book series that includes A Distant Eden, Adrians War, Edens Warriors and Edens War.
