

Edible French: Tasty Expressions and Cultural Bites

The idiosyncrasies of language can tell us a lot about a culture. In this delightful book, Clotilde Dusoulier, creator of the award-winning food blog Chocolate & Zucchini, delves into the history and meaning of fifty of the French languages most popular food-related expressions. Accompanied by beautiful watercolor illustrations by artist Melina Josserand, Edible French explores whimsical turns of phrase such as: Tomber dans les pommes (falling into the apples) = fainting Se faire rouler dans la farine (being rolled in flour) = being fooled Avoir un c?ur d'artichaut (having the heart of an artichoke) = falling in love easily A treat of a read for Francophiles and food lovers alike, Edible French is the tastiest way to explore French culture one that will leave you in high spirits or, as the French say, vous donnera la peche (give you the peach).
