

Feasting Free on Wild Edibles; A One-Volume Edition of Free for the Eating and More Free-For-The Eating Wild Foods.

This practical guide to North American edible plants explains where to find them, when and how to gather them, and how to prepare them. Detailed drawings and descriptions allow for accurate identification of each plant discussed. More than 500 recipes are included, ranging from common to exotic dishes using plant seeds, flowers, fruits, leaves, stems, and roots.
