

Observations from an Obesity Overcomer: Ignorance is Anything But Bliss

Observations from an Obesity Overcomer is a series of quick and easy inspiring and motivating reads for anyone that is thinking about undergoing weight loss surgery, or who has already undergone any type of bariatric surgery. Kimberly P. Taylor underwent gastric bypass in 2002 and her observations of life throughout her journey are humorous, poignant, and full of both candor and compassion. Download the series today and be inspired to love the new you and the do over youve been given!
