

Everquest Luclin (Everquest Role-Playing Game)

The goddess Luclin has lifted the veil that hid her moon. Granted access to this wondrous lunar world, the races of Norrath encounter the legacy of the Combine Empire that once united Norrath; face the awesome power of the shissar race who dared challenge the gods themselves; and discover the fate of the cat people of Odus whose entire city was teleported from Norrath to Luclin. And even greater mysteries of lunar civilizations native to Luclin await those bold enough to face them. Luclin discusses the moon of Norrath in detail, including its peoples and cities, its dangers, dark secrets and treasures. This 224-page hardcover sourcebook contains an entire new campaign world for GMs and players to add to their fantasy game.
