

Extreme Dinosaurs

One of the perennial classic themes of kids publishing is given the Rolls Royce treatment in this fantastic full-colour extravaganza, featuring savage velociraptors, plodding brachiosauri and of course the terrifying T. rex. Pop-ups, pull tabs, booklets and posters add to the value, while fold-out pages double the size of some spreads. Lift the flap and peek inside a dino egg, marvel at an x-ray of a the huge stegosaurus tiny brain, and finally decide for yourself who would win as three sets of deadly dinosaurs are pitted against each other in dino extreme sports.
