

Fast N Easy One Pot Recipes

One pot meals are the way to go for busy people. And no matter how cooking challenged one may be, these quick 1 pot dinners using ground beef will be talked about by everyone at the table because everyone loves ground beef. They are simply, wonderful and easy too! I love using one pot meals. You can get a full meal cooking in just a few minutes, literally. And if you want, you can expand the one pot meal using rice, noodles or pasta. And because the ingredients are so varied and the preparation time so short, they are healthy alternatives to bringing home fast food for dinner. Anything cooked at home is always more healthy than anything you can pick up at a fast food restaurant. Get your Kindle copy today, you will soon know many of the easy dinner ideas by heart, and so will your guests.
