

Night Falls (A Novella)

Amy and Scott Crane leave their suburban St. Louis home and head out into the backwoods of the Ozarks where they enjoy each others company as well as the beautiful scenery. But when night falls, the normally serene forest becomes a terrifying jungle and the couple find themselves entangled in a nightmare. When Scott disappears, Amy is left worrying about what mightve happened to him and wondering who the people lurking in the darkness around her might be.
