

Fighting 4 Love

Genesis never thought that she would be in a relationship with a woman, but she's sure Taliyah's the one. Always secure in her sexuality, Taliyah loves everything about Genesis. The harsh words Taliyah speaks and the punches she throws often make it hard to believe she actually loves Genesis. When the duo drifts apart, what happens when others fill their number one slots? Can their relationship survive? Are they fighting for love, or are they simply fighting?
