

Diversity Amid Globalization: World Regions, Environment, Development (5th Edition)

With an arresting visual layout designed for today's learners, *Diversity Amid Globalization* emphasizes the connections and diversity between people and places, challenging students to compare and contrast the regions of the world within thematically organized regional chapters. The Fifth Edition is thoroughly updated with the latest maps and data and a greater focus on the impacts of globalization. Relevant environmental, climate change, and political developments are incorporated throughout, supporting the authors' goal of helping to create more informed, geographically aware students.
