

The Compass of Celestial Directions, Vol. 2: The Wyld- A Setting Book For Exalted, 2nd Edition

Outside the bounds of Creation, there exists an infinite expanse of roiling chaos that breaks upon the shaped world like a stormtossed sea against the shore, threatening to wear it away. Where it does wear away, reality breaks down and savage denizens of the chaos beyond Creation dwell. The second of five Celestial Direction books devoted to fleshing out the bare bones of Creations supernatural locales presented in the Exalted core book, this book includes: Details of the dangers of the Wyld, the kingdoms of the Fair Folk and the savage Wyld tribes Full rules for power-questing and mutations Traits for the Wylds native inhabitants
