

## Half-Century Status

This book marks the 50 year anniversary of A. Razor in this world. There are 50 poems in this collection, one for each year of my life, as the author puts it. They are pieces of work written in the 50th year of this writers life and shared with readers in this fund raising effort for Words As Works, a non-profit group that is dedicated to bringing books, readings and workshops on writing & publishing to people who are struggling against adversity in their lives, primarily people in shelters, jails, prisons, treatment programs, literacy programs and the like. Full proceeds of this books purchase go to fund these activities.
