Jasmine had everything going right in her life. She had the perfect job, perfect man and enough money in the bank to last three lifetimes. One-day tragedy struck when she least expected it. Depressed and alone Jasmine finally decided to give love another try. She met Ty who was handsome and charming; he was everything she was looking for until he did the unthinkable to her. Mo grew up with Jasmine and always had a crush on her; unfortunately she never gave him the time of day. She felt that he was too much of a thug for her and would be a constant distraction. Jasmine didnt want the headache so she always played it safe when it came to dating. When he finds out what happens will he be her knight and shining armor or will he push her away.
