

## White Shell Womans Promise: Ernestines Story

White Shell Womans Promise takes the reader into the Navajo Nation. Ernestines story narrated by Ernestine Yazzie, a young woman struggling to overcome a horrific assault, is told in the emotional first person.

Ernestine turns to the esteemed medicine man Billy Gray Eyes for answers to questions about her future. Billy offers support and protection, but ultimately the seeds of healing are in Ernestines own hands. In a world filled with cruelty, violence, and witchcraft can Ernestine find the path toward healing? Will she find justice, and will she have the strength to choose the path of Beauty? White Shell Womans Promise is a companion book to Monster Slayers Son. The stories support each other but also stand alone.
