

## FU Liberals: A journal for Conservatives to destroy, rant and vent without getting arrested

Do you want to just say FU to all Liberals and the Obama administration? Now, when you're pissed off about politics and need to blow off steam, you can do just that with this quirky, edgy journal. On the days when you wake up on the wrong side of the bed and every Liberal is making you want to scream, this journal offers more than 75 activities to scribble, rant, and vent. Featuring hilarious exercises, like defacing a Hillary Clinton voodoo doll, writing your own indoctrinating song about Obama, or playing Liberal Jargon Bingo, this book is the perfect way to keep from completely freaking out on your Liberal friends and coworkers. You will love this creative way to cope with moronic Liberals and this infuriating administration.
