

CROCK POT RECIPES - My BEST Slow Cooker Recipe Cookbook Chicken, Beef, Pork and Lamb Lunches and Dinners for Your Crockpot, GOLDEN RECIPE COLLECTION

Prepare the ingredients, put them in a slow cooker and what awaits is a tasty meal that everyone will love! That is the beauty of slow cooked food. You can just spend a few minutes with the preparations and wait for it to be done while you go about and do your chores. Sure, it will take a bit more time. But is the wait worth it? Of course! By the way, crockpot and slow cookers are used interchangeably. If you are wondering, there isn't really any difference between the two. Crock Pot is actually a brand name and is marketed because of the material used to make the pots. Giving you a variety of slow cooked recipes for you and your family and friends to enjoy is always the topmost priority. Thus, you are given nothing but the best selections. To make cooking easier for you, in this book you will find:

1. Directions for each recipe that is super easy to follow.
2. Preparation and cooking time to help you manage time and enable you to plan ahead.
3. Number of servings to help you prepare.
4. A table of measures for your convenience.

So, what are you waiting for? Start planning your next slow cooked meal. With this recipe book, you are well on your way to that succulent slow cooked meal that you and your family and friends will surely enjoy. Here are the recipes you will find in this book:
