

## GOON SQUAD #6: Holy Fool

The Exterminating Angel has struck once more, the body count is climbing, and the GOON SQUAD are on their way to face the entity. If only they had a plan. The one thing they're sure of is, if they fail to defeat or contain the murderous Angel, the only possible result is the deaths of many more people, guilty and innocent alike. With Talos damaged and missing and the Revenant damaged and indignant about it, only Puppet Girl and Red Wolf are left to face an apparently unbeatable foe. But there is another player in the game of whom they know nothing. What is the secret of the Holy Fool? GOON SQUAD is an ongoing prose comicbook, the other episodes of which are available at this retailer. Cover by Daniel Chon.
