

Grand View of Extraordinary Wine Cellar Worldwide (Chinese Edition)

This book not only gives readers a grand view of extraordinary wine cellars around the world and lead them to taste wonderful wine of different international brands, but also tells them rare-known legends sealed up and kept underground in the wine cellars. At the same time, it exhibits to readers how art and wine cellars inspires each other and consequently hit out sparks. Hidden between the lines are the authors writing intention, views of life, appreciation of culture, history and arts. Therefore, this book is a sheer necessity for lovers of spirits and wine culture. Wine cellar is applief to reveal various elements that contribute to wines quality and culture. Readers are shown characteristic of 22 major wine-producing countries, 84 wine chateaus and factories by revealing to them wine categories suitable for aging(wine is giving priority) underground in the cellars all around the world.
