

## Accelerated

A particle accelerator experiment goes horribly wrong. The Shops cleaners will take care of it. Or will they? Those exposed to dark matter have powers Gavin Kiel can walk in shadows. He hates sunlight and complications. But hes in the thick of it now. Its time for the hunted to become the hunter as he takes matters into his own hands. This time theyve come for the wrong man. ACCELERATED is a gritty tale written by bestselling author Vaughn Heppner.
