

## Fantastic Stories of the Imagination (with linked TOC)

Hugo and World Fantasy Award nominated editor Warren Lapine celebrates twenty years in genre publishing with his latest effort, *Fantastic Stories of the Imagination*. This anthology contains fourteen nicely varied stories by some of the top names in genre publishing and several new up-and-comers. Included are Harlan Ellison, Mike Resnick, Barry B. Longyear, Kelly McCullough, Shariann Lewitt, Tom Piccirilli, Trent Zelazny, Sharon Lee, Steve Miller, and many others. The stories range from edgy cyberpunk to urban fantasy, and they'll stay with you long after you've closed the book. Explore what it means to be human and experience the depth of despair and heights of joy that come along with it. These stories do not disappoint. -SF Scope
