The Secret to Will Power and Discipline For Weight Loss! If you want to lose weight, you have to be able to

choose healthier options and a healthy lifestyle. That means exercising your will power and understanding how to change those old bad habits that keep you stuck, tired and overweight. This book will show you how. How To Love Yourself Most of us overeat or stay overweight because of an ingrained sense of self-hatred. Sure, maybe we don't talk about it, but deep down inside we feel awful about ourselves. It's this self-hatred that keeps us stuck, unhappy and overweight. Using these simple strategies taught for thousands of years, you'll be able to tame this part of you and fully love and accept yourself just the way you are. This will allow you to lose weight naturally and treat yourself to the good life. How To Overcome Self-Sabotage When I realized that my biggest enemy isn't the girl who talks behind my back or the guy who breaks my heart - my biggest enemy is myself. When I stopped beating myself up, holding myself back and talking down to me, my life changed. I lost weight, I was happier and I had a lot more self-confidence. When you flip the self-sabotage switch, you'll find losing weight and getting what you want in life just becomes effortless.
