

Brewing Beer at Home: The How-To Guide

Tired of forking over half of your paycheck on bar tabs? Download *Brewing Beer at Home: The How-To Guide* and learn to microbrew beer right at home! You'll save money and impress friends and family with your own creations. This Vook will cover all the bases from your homebrewing orientation to bottling your brew and everything in-between. In eight chapters and videos, you'll learn about the four ingredients you'll need to make your beer and all the brewing equipment you'll need (hint: you may already own most of it). Once your kit is prepared, you'll learn, step-by-step, how to prepare the brew, and how the brewing process works. Most importantly, *How to Brew Beer at Home: The How-To Guide* will show you how to formulate your own recipes so you can put your own personal stamp on the beer. Download this Vook now and start your own at-home brewery today!
