

I Dont Want to Go to Jail : A Good Story

Jimmy Breslin is at the top of his form with this comic, wry novel about the downfall of a modern mob family. Inspired by the infamous mobster who shuffled around Greenwich Village in his pajamas so that he'd be declared mentally incompetent and skip standing trial, Breslin gives us a new spin on a tale he learned from a life lived on the streets. He brings to life the mobster, his brother the priest, and his nephew Fausti who is trying as hard as he can to be clean. This is a vintage performance from one of our most celebrated writers.
