

## CRISIS (Descendants Saga: Crisis Sequence Book 2)

TERROR HAS COME TO OUR TIME AS THE DESCENDANTS SAGA CONTINUES! You really come to appreciate life when you wake up each day and something hasn't gnawed off part of your leg! Jonathan Parks Unable to kill Jonathan Parks as a child, Brody West, now faces the viral plague unleashed by Adolf Hitler through the boy's blood. Still mourning the loss of his loved ones from the past, he is running out of time to intervene in the monstrous disaster ravaging London in the present...He can no longer observe as the mysterious Watcher in the shadows. If he refuses to act, there may be no future for mankind at all. While plague zombies rage through the streets of London and begin their conquest beyond Britain, Jonathan, Holly, Cassie, and Garth try to stay alive. Vladimir Nesky seeks to complete his mission for Russia by apprehending Patient Zero before MI6's Director Sayers and her special forces team can steal him away to secure a cure for the virus for Britain. However, what no one realizes yet is that these ravenous zombies are changing, becoming lethargic and slow, desiring to feed more than infect so they can hibernate away in the dark, for they are becoming something else...something cunning and deadly that is no longer zombie or human...and, when they rise, there may be no one who can stop them!
