

## Dont Talk to the Wall!: Understanding Personality Types

Dont Talk to the Wall! introduces an alternative model of personality types. It offers people a fresh way to look at different personalities and to see how best to communicate with a variety of characters. It explains how we develop certain characteristics as a result of our upbringing, and how best we can interact with the good and the not so good aspects of these personalities. It explores different channels of communication, offering us insights into the needs of the different characters. Overall, this book should provide people from all walks of life and from all professions an invaluable key to understanding the variety of personality types.
