So even if it is 50 in the shade, you know that you can remain cool by sinking your teeth into juicy cantaloupes, or just enjoying other gastronomic pleasures of the summer season. This book is for all those who hate to slave over a stove, very often, especially during the summer heat. But that does not mean that you cannot take full advantage of plenty of fresh vegetables and fish, baby string beans, and new asparagus as accompaniments to the main course, or just as salads.
