

Star Spring: a Space Operetta

THE MAN WHO SAVED EARTH ...
Todd Spigot thought he had it made. Nothing was too good for the man who had helped save Earth from the conspiracy plotted aboard the great interstellar liner STAR FALL nothing except survival, for his heroics have brought him to the attention of Earnest Evers Hurt, the cyborg billionaire whose fear of death has led him to concoct a scheme to remake Earth and the entire material universe in his primal image ... INHERITANCE Its simple, the old man said. If the people who know what to do dont take their God-given right and use it, it all falls into chaos. I made you, songenetically manufactured you. But not merely to inherit the Hurt empire. I made you to be a watchdog on Human Evolution. ...but if the people who know what to do dont know what theyre doing ...
