

In Dubious Battle (Penguin Modern Classics)

Both a fast-paced story of social unrest and strike, and the tale of one young man's struggle for identity, *IN DUBIOUS BATTLE* is a novel about the apocalyptic violence that breaks out when the masses become the mob. Set in California apple country, a strike by migrant workers spirals out of control, as principled defiance turns into blind fanaticism. Caught in this upheaval is Jim Nolan, a once aimless man who finds himself briefly becoming the leader of the strike before being crushed in its service. *IN DUBIOUS BATTLE* explores and dramatises many of the ideas and themes key to Steinbeck's writing.
