There was love. And finally there was peace. He found Lashae; the most beautiful woman Edsel had ever seen. For two blissful years they lived together in peace along with Aiden, the boy Edsel had promised he would care for. There were nightmares. Edsel couldn't come to terms with The Ink, the abomination that covered his body and stopped him from ever being able to forget the past. Cover it up. Black to obliterate the memories. But could it really be that simple? All they could do was try. But as one nightmare began to fade, so a new one took its place. Peace is shattered and once again Edsel has to fight for his family. This time he would let nothing stop him from keeping them safe. But he was forgetting one important thing. There is no escaping The Ink.
