

Creating Health: Honoring Womens Wisdom

Creating Health Christian Northrup By learning to trust in your bodys intuitive wisdom, you can control most of the factors that go into creating your health. This bold new vision of the healthy woman is based on Dr. Northrups work as a physician to thousands of mothers, daughters, and sisters. She fuses her real-world experience with a rare expertise in mind/ body medicine. The result is a health program especially for women, offering you up-to-the-minute research with insights gathered from the worlds wisdom traditions. What you learn may surprise you (for example, that the heart and uterus produce the same chemicals as the brain does they are in effect thinking organs). A wealth of subtle, simple techniques for engaging with your body ... drawing from your inner wisdom ... and taking the action necessary to create the health you want.
