

Down Ass Bitch

A love so deep and enthralling that it even shakes them at the core. Kami is a young, free spirited girl who is obsessed with Marilyn Monroe and old Hollywood glamour. She loves the lime light and will stop at nothing to make sure that she is the leading lady in the role of life. When she meets this bad boy name Gram she finds out that he brings out the side of her that she didnt know was possible. Kami is always by her mans side through thick and thin taking on drama after drama along with heartfelt throbbing heartaches doing all that she can for Gram. But no matter what with all the drama he s still an added bonus showing her a different view of the world and she loves it all. But being with Gram means she must live the dangerous life. Kami finds herself ducking and busting bullets at the cops is just the beginning for this nefarious couple. With the expense of their love she must be a Down Ass Bitch.
