

The Molester: A Story from Jesus Out to Sea

A short story from James Lee Burkes story collection, Jesus Out to Sea. Burke is one of the countrys most acclaimed and popular novelists. He elegantly marries his flair for gripping storytelling with an urbane writing style and complex, fascinating character portraits. The backdrop of the hurricane-ravaged Gulf Coast proves to be a versatile setting for Burkes stories, which cover the scope of the human experience, from love and sex to domestic abuse, to war and death and friendship.
