

Perdition: Quinten Tamlan #1

Series: Quinten Tamlan #1 Quinten Tamlan was once the scourge of the Republic. Then he disappeared. Its been seven long years for Quinten Tamlan. Scarred and bitter, he has lost direction and the spark of idealism that once fired his resolve. But when he is forced to take on a new crewmember, he is pulled back into a past that refuses to let go. Quinten believes he has his own problems. He believes he is alone and forgotten. He is wrong. Quite wrong. 2016 update: This book, previous titled QUINTENS STORY, has been re-edited for this edition. Additionally, a compact list of people, places and things is included.
