

Keisha & Trigga 4: A Gangster Love Story (Keisha & Trigga: a Gangster Love Story)

The epic saga has come to an end but has justice been served? After finding love in the midst of the most treacherous circumstances, Keisha and Trigga decide to leave everything behind them and focus on their marriage and new baby. But when Trigga overhears interesting news regarding the baby's paternity, it leaves him doubting the loyalty of the only woman he's loved. After all they've endured to be together, will this new challenge ruin them? Lloyd, still the thorn in everyone's side, is more merciless than he's ever been being that he's a street nigger with absolutely nothing to lose. But luck strikes when someone comes to his aid to finally nail Keisha and Trigga for good. However, it's the last person anyone would suspect. Austin's intentions when it comes to his cousin's empire, slowly begin to come to the light and the more they are revealed to Lloyd, the more he is unwilling to let Austin run free in his streets. When Lloyd calls on his infamous Ground Patrol to teach Austin a lesson, he feels that he's finally rid himself of his conniving cousin for good. The problem is, Austin has never been one to not get his way. And, just as he plans to show NeTasha, if he claims something as his, he won't stop until it is. Even if that means joining with an unlikely ally.
