

# Observations from an Obesity Overcomer: I Thought Discrimination Would End When I Wasnt Fat Anymore

Observations from an Obesity Overcomer is an inspirational series of insights from Kimberly P. Taylor, a weight loss surgery advocate who underwent gastric bypass surgery in 2002 in order to effectively medically treat her morbid obesity. Kimberlys candor, humor, and observations about life as not just an obesity survivor, but an overcomer, will inspire you in your own personal weight loss journey. Download the entire series today and be inspired to live your life as an obesity overcomer!
