VARION was a popular medication that could cure anything from Anxiety and Depression to Schizophrenia and Zoophagia. Everybody took it back in the day because there were no side effects... AT FIRST. The old building in a rundown part of Metro was a perfect place to find a body, but they wouldn't have dragged Joe Borland out of retirement if it still had its skin. It's been 20 years since Borland battled the Variant Effect, and 20 since he let his partner get skinned alive. Now both of them are ordered back into action to meet a terrifying new threat. Three Downloads in ONE includes: The Variant Effect (Novel), The Variant Effect: Painkiller (Novella) and a Sneak Peek at The Variant Effect: GreenMourning.
