

Gulf Coast Gardening with Randy Lemmon

Randy Lemmon is the host of Houston's GardenLine radio program, on Clear Channels TalkRadio 950 KPRC. Over 1.4 million Houstonians garden for a hobby or pastime, and GardenLine is where they listen for advice and information on gardening and landscaping. Every Saturday and Sunday 8 a.m.-noon, GardenLine's Randy Lemmon answers listeners' questions on everything from aphids to zoysias. He's Houston's absolute expert on lawns and gardens, offering help to listeners both with and without green thumbs. Randy's a Texas Aggie who truly KNOWS plants and flowers. He explains them with ease and candor, and is as competent a plant person as there is. He studies, and he practices. He embraces new methods as well as the old ways of dealing with problems. Gulf Coast Gardening with Randy Lemmon is the first in a series of self-published books by Randy Lemmon Consulting.
