

La religieuse (French Edition)

Inspire par une histoire vecue, Diderot imagine que la religieuse Suzanne Simonie raconte ses mesaventures en 1760. Spoliee de sa dot, elle sejourne dans trois couvents successifs. La premiere superieure est cupide, la deuxieme est ascetique, la troisieme est dune sensualite eperdue qui fait vivre tout le couvent en fete. Diderot decrit ce qui arrive lorsqon contredit la pente generale de la nature . Je ne crois pas quon ait ecrit une plus effroyable satire des couvents , disait-il. La Religieuse est aussi et surtout une chaleureuse apologie de la liberte individuelle.
